About Us

Screwbee is committed to becoming India's most trusted manufacturer of drywall screws, delivering fastening solutions that combine strength, precision, and reliability for modern construction and interior applications. Our screws are manufactured using advanced Taiwan technology in accordance with ISO 9001:2015 standards, ensuring internationally recognized specifications for drywall fastening systems. To ensure durability and corrosion resistance, our products undergo salt spray testing for up to 124 hours, verifying their ability to perform reliably even in demanding environments.
